This meeting was called for the residents of the association to discuss some ongoing criminal issues of the association with the City Commissioner, Ms. Sherwood and the Hollywood Police Department.

Officer Valdez provided some statistics regarding crime in the association. He states that there have been nearly 4500 - 911 calls in the past 3 years in the Hollywood area, south of Hollywood Blvd. and only 315 were from Holiday Park. He pointed out that Holiday Park has one of the lower crime rates in the city.

Officer Valdez also went over some other issues that were brought up (Trespassing, Unknown Occupants, Drugs, and Stalking). He provided the association with some possible solutions and deterrents to these problems, some of which are being taken by the Hollywood Police Department.
